Phuket is Thailand's largest island and nestles against the Indian Ocean Coast some 870 kilometers south of Bangkok. Phuket derives its wealth from tin and rubber, is blessed with teeming marine life, and has enjoyed a rich and colorful history.

Phuket is also one of the major Asian gateways for ocean cruises. Recently a new concept has emerged: Spa Cruises. Combining Thai traditional ways of relaxing the body and mind with all amenities of an up-market cruise

Phuket is blessed with magnificent coves and bays, powdery, palm-fringed white beaches, sparkling island-dotted seas, sincerely hospitable people, comfortable accommodation, superb seafood, lushly forested mountains, lovely waterfalls and parks, and delightful turn-of-the-century Indo / Portuguese and Chinese-influenced architecture which create an enchanting ambiance perfectly suited to total relaxation.
