Historic Lakeside Walk & Sake

Brewery 1 Day Tour

Tour Itinerary (09:00 ~ 16:30)

A thousand years ago, the village of **Katata** flourished through fishing and control of the water transportation around **Lake Biwa**. We will explore the houses and other parts of this culture, which still thrive in harmony along with the natural bounty of Japan's largest lake. We will visit **Nami-no-Oto**, a sake brewery with a history of more than 200 years, where we will enjoy a **sake tasting**. Next, we will enjoy a traditional style Japanese lunch as guests of the sake brewery owner in his beautiful authentic Japanese house. After lunch, participants of one-day tour will visit **Ogoto**, a hot spring resort whose waters were said to have restorative and medicinal properties by the monk who founded the Enryaku-ji temple (a World Heritage site) in 784 AD.
