Resort Information

In Cambodia's untouched Koh Rong Archipelago, two pristine islands lie side by side. They are known locally as Song Saa – Khmer for 'The Sweethearts'.

Song Saa Private Island is as seductive as the name implies. Think intimate. Think luxurious. But above all think harmony – with all the elements of nature that make this place so special.

The resort spans the islands of Koh Ouen and Koh Bong, connected by a footbridge over a marine reserve we have established to safeguard the islands' reefs and marine life including turtles, seahorses and exotic species of tropical fish.

It features luxury Over-Water, Jungle and Ocean-View villas built with sustainable materials and with the deepest respect for the natural environment.

At the resort's heart is a world-class restaurant and lounge, spectacularly positioned just off the island's shoreline and surrounded by sea. A short stroll on the boardwalk will leave you perfectly positioned to take in dramatic sunsets, seascapes and starry nights
